## letter from the president

WOW! What a transformation our golf course has gone through in a very short period of time. It is exciting to see the hard work of multiple Boards come to fruition.

The course

updates look spectacular and truly blend in with the original intent of our design. I know that we are all excited to play the new design, but we must exercise good judgement and wait for the course to grow in and establish solid roots. Our hard work could be spoiled by playing the new holes too early and damaging final grades, new turf, and bunker edges as we enter and exit.

While we wait for the new holes to open, we have plenty of excitement around the Club to look forward to today. In a couple of weeks, the Club will host its first ever Charity Gala to benefit Tennyson Center for Children. This black tie affair is expected to raise close to 6 figures that will benefit a very worthy cause in our backyard. We hope this is the first of many annual charity fund raising events hosted at LCC. I look forward to seeing you on the 21st.

The Board of Directors appreciates your feedback on our Clubhouse and facilities survey. It is no surprise that our Membership is active in supporting thoughtful change in all aspects of our Club. Next steps will be to rank the priorities of the Membership, then

secure pricing for all projects. With this information, we can then communicate all rankings, pricing, and priorities back to you. This will allow for more discussion and a possible vote for any significant changes to our Club. I assure you that nothing will change without the support of our Membership and a thoughtful plan of attack. Let's face it, our Committee driven system works and is very important to the long term planning for LCC. The Club may seem new to some of us, but it is aging and will need general maintenance along with some potential projects to better serve our current Membership.

We are lucky to have solid financial footing and the support of the best Membership in Colorado. These two factors have allowed us to continue to improve our already great product. I am very excited about our current status and the potential for future improvements in service and facilities at our Club. As Tom Gysin reminded me the other day, "I think the changes are pure dude!" Golfer, Member, surfer?

I look forward to seeing you around the Club!

Tim Brooks  
President

## letter from the head golf pro

The Golf Professional staff would like to thank the entire Membership for their participation in this year's tournament schedule. We are currently preparing the 2018 tournament schedule, which will be available following the approval of the Golf Committee and Board of Directors. If you have any suggestions on different types of events, please let us know as soon as possible.

Golf at Lakewood continues with the "off season" mode. Frost will determine when the golf course will open daily. When planning your game, please remember that morning times are moving later each week until mid-November when they are usually available around 9:30 a.m. - 10:00 a.m. Please call the Golf Pro Shop with any questions and remember to check in with the Golf Pro Shop staff prior to your round.

### Course:

We would like to alert the Membership that as our fall season arrives, our tee times start later in the morning due to reduced daylight and frost conditions. Please call the Golf Pro Shop for available times. The driving range will open approximately 20 minutes prior to the first morning tee time (frost permitting) and will close one hour prior to sunset. Thank you for your understanding.

As a safety precaution, we ask that all of our Members/Guests please refrain from entering any part of a closed hole. We have open irrigation lines and heads, new sod, and some dangerous equipment moving about during this construction. Members found walking inside the ropes or around construction areas are subject to disciplinary action from the Board of Directors. The Golf Professional staff has been asked to remove anyone immediately off the course, that is seen either walking or driving on a closed hole.

Sincerely,

Ben Honaman  
Head Golf Professional  
bhonaman@lakewoodcountryclub.net

## Off Season Policies:

As of October 1st and continuing through April 30, 2018, guest times are lifted. However, the twice per month guest restrictions are still in effect. The lottery and tee times remain in effect through the off season. Gangsomes are not in effect until November 1st except by Golf Pro Shop discretion. A gangsome is up to six players in a group. We ask that all gangsomes be respectful to foursomes, allowing them to play through whenever possible.

### Gangsomes rules in effect-

**1) Continuous putting- Each player must continue putting until the ball is holed or the putt is conceded. NO MARKING THE GOLF BALL.**

**2) All players must ride in a gangsome. When joining a group to make five or six, make sure that all players are willing to ride before adding yourself to a group.** If you have any questions, please call the Golf Professional staff for assistance.

## Monday Corporate Tournaments:

Our 2017 corporate events have been sent renewal contracts for next year. Historically, there are a few availabilities. If you have or know of anyone looking for a tournament site, please contact the Golf Pro Shop so we may initiate the process for enrolling the event.

## letter from the gm

### Rules, Rules, Rules

Welcome to the upcoming fall season. Personally, my favorite time of year in Colorado, temperatures start to drop and the

trees changing color makes living in Colorado wonderful.

The Master Plan construction is in its final stages. All the greens that were reconfigured are finished, all that remains are the addition of some tee boxes and some tweaks here and there to some bunkers and green surrounds. Thanks to some cooperative weather, our wonderful Turf Care division lead by Chris Swim and his coordination of the hard-working staff on Total Turf alongside Gil's shapers, the project will be completed on time and our playing conditions come spring time should be fantastic.

Here comes the difficult part – keeping the Membership out of the new areas. It's much like having a new car in the garage that you just can't wait to drive. You can look at it (from a distance) but please don't walk around or even worse play a newly constructed hole. Management and the Board of Directors

are extremely cognizant of the curiosity our Membership has for our new golf course. We must refrain from walking onto these new areas, if we want the premiere conditions in spring we have come to expect at Lakewood.

The Board has asked the Membership to obey signs and staff to keep off these newly constructed areas. Consequences for any breach of these rules, will be determined by the Board. Rules are in place, to maintain the enjoyment for the entire Membership of a Private Club, however; there will be those select few that decided rules do not apply to them, they will be brought in front of the Board for disciplinary action.

In most cases, the greens especially, will appear ready for play. The temptation will be to try and play on these surfaces too early. We have seen in other area clubs, the negative impact playing on greens too early can cause. Please help us prepare for next spring. Please respect the rules of your golf course, and please respect your fellow Members.

Sincerely;

Lance Scheele  
General Manager  
lscheele@lakewoodcountryclub.net

Fall is in full swing and preparations are being made for the first annual Lakewood Country Club Gala on Saturday, October 21st. This year's theme is a Masquerade

Gala and the charity that was chosen by the Programs Committee, led by Mr. Steven Ferrie, is the Tennyson Center for Children. For those of you who may not know, the Tennyson Center for Children empowers children who have experienced abuse, neglect, and trauma to bravely and safely change their life's story. Their goal is to help kids who have survived severe abuse or neglect, or who have significant mental health or developmental issues. For more than 112 years, they have been changing lives and giving hope to children and families. They provide residential, therapeutic, and educational services to Colorado children ages five to 18. The staff here at LCC is looking forward to a great turnout of our Members who want to show their support for this wonderful charity. Donations are coming in as we speak, and we are hoping to raise \$100,000 for this cause. Thank you for all the efforts given by the Programs Committee, Mr. Steve Ferrie, and the Gala Subcommittee, who have helped make this event happen in less than eight months.

The events we hosted in September were all well attended. We ended the summer pool season with the

annual Labor Day Pool Party for Members and their guests to enjoy the beautiful weather, fun games, bouncy castles, and barbecue buffet. As always, every chair was taken and Members had a great day at the pool. The addition of the two new events, Oktoberfest and Frozen Family Night, were enjoyed by the Membership. We included food, select Oktoberfest beers, and entertainment into the pricing for Oktoberfest. The first 100 Members and guests also received complimentary LCC Beer Steins. Everyone enjoyed the authenticity of this event. Frozen Family Night was the first time we've invited both adults and children to join us at the Club for dinner, prior to going to a show at the Buell Theater. For this event, we invited Anna and Elsa to join us during the dinner, before their performance. We were able to have these tickets available before going on sale to the public and most all 40 were gone within the first month. We will be hosting another event similar to this one, this coming April 22, due to the popularity of this event. Find more information about this in this newsletter.

As always, my door is open to any comments or concerns. Please feel free to contact me at any time.
