Are you ready for a new golf season, a new golf course, the opportunity to improve your game, and meet new friends? I am excited for all of the above.

A new golf season has the promise of an improved game and eliminating bad habits. Like a lot of you, I have made myself a promise to practice more and really improve my game this year. I am sure right now the low handicappers that were cursed with me as a partner last year are smiling and whispering under their breath, no way he gets better this year. You might be right, but I will give every effort to make the game more enjoyable for the poor schmucks that agree to play with me every week.

Getting better is what we are about at Lakewood Country Club. We are embarking on a generational change to our golf course this year that will truly make our Club the crown jewel of the city. I am pleased to tell you that we have hired the contractor for the project. Our contractor, Total Turf, has experience at world class

courses like Winged Foot, Oakmont Country Club, Doral, and many more. Their experience with the Hanse team is extensive and the timing of our project will allow them to devote enough resources to complete the job on budget and on time!

This will be an exciting year to say the least. I challenge everyone to get out and use the Club, sign up for new tournaments, and make new acquaintances. Maybe create a NEW foursome to play with once and awhile.

Tournaments are a great way to meet more Members and increase your circle of friends. From Derby Day to the Club Championship, all tournaments are designed for golfers of every level.

Let's have a fun golf season. The Board of Directors and I will oversee the Golf Course Master Plan and several other projects around the Club. Sit back, relax, and enjoy your Club!

See you around the Club!

Tim Brooks  
President

## Course Closure – April 3rd, 4th, & 5th

Reminder:

We will be aerifying the golf course on April 3rd, 4th, and 5th, weather permitting.

Please call the Golf Shop at 303-233-0503 for any updates or questions.

Club. Tee times may be made on the ForeTees reservation system, tournament sign-ups are available, and tournament results are posted there as well. **Don't**

**forget you can use the ForeTees APP—one click to make your tee time. If you need help with this, please call the Golf Pro Shop Staff at 303-233-0503.** Also, please make sure we have your e-mail address to be included in the information we send out. If you have questions, please call the Golf Pro Shop Staff and we will be happy to get you started.

Here are a few course care reminders to ensure pristine playing conditions on your golf course. Please repair pitch marks on the greens, use the sand/seed for divot replacement, rake the bunkers when you finish, and keep carts at least 50' away from greens and bunkers. Please remember rakes should be left **outside** of the bunkers instead of placed inside the bunkers. This positioning will eliminate your golf ball from remaining on the downslope of a bunker.

Sincerely,

Tim Lollar  
Director of Golf  
tlollar@lakewoodcountryclub.net

# 2017 junior golf & swim team sign up

Thursday, April 13, 2017  
4:00 p.m. to 6:30 p.m.

If your children or grandchildren would like to participate in Junior Golf or Swim Team, please join us on Thursday, April 13th. For Junior Golf, we will fit our juniors for golf clubs and golf shoes. Due to extremely high demand and popularity, our Junior Golf Program has reached the point that it is **limited to the first 90 participants**. Sign-up priority is given to all children of Golf Members and the grandchildren of Golf Members that offer their volunteer services to the program.

For Swim Team, we will be ordering new swimsuits as our suit is two years old. Swimsuit fittings will be available this evening.

Welcome back to Turf Talk and the Club, if you have been away for the winter months. A great way to keep up is to check <https://lakewoodccturf.wordpress.com/> anytime or log

into the club website, select golf and scroll to the bottom of the tab and select **Turf Talk**. You will find information on our plan for the week, (which is good to know when scheduling a scotch or other match), see recent precipitation, course and staff information and anything unusual happening on the course project wise, informative video links, among other items. You probably already know the 18T project is completed, since you have been following the **Turf Talk link**. The new tees will open when the turf is well rooted. Other items worked on during the off-season were regular tree trimming, bunker restoration on select holes, south pump house waterfall motor and pump refurbishing, small bridge replacement by 6 gold tee, lots of winter watering, shrub and tree additions

around the course, along with normal winter course accessory refurbishing.

We will also be constructing another temporary nursery for the Master Plan greens that will be located behind 16 green. This is where you will find the aeration plugs being spread out to grow a grass similar to the existing greens, just like the other nursery. Since we are reusing the same sod for the new greens, between the removal of sod from existing greens to laying it nearby and replacing back on when complete and all that cutting, you will lose sq. ft. When the project is over, we will return it to its original state.

As a reminder, all our favorite time is coming up, as alluded to above...

**AERATION.** The scheduled dates are April 3, 4 and 5th, weather permitting. As always, the Golf Pro Shop will post a note on Foretees on the aeration progress, or give them a call and check the status on Wednesday, in case of any delays.

Thanks and see you around the course,

*Chris Swin*

## Off to a great start!

The first quarter is almost over for 2017 as I write this letter. The weather to start off this year has been mild to say the least. February,

we recognized the most rounds of golf over the last 8 years since we have utilized Foretees for tracking golf rounds. Lakewood Members & Guests played 760 rounds of golf in February, all facets of the Club benefit financially when we facilitate that much play on the golf course.

March is following the same trend as February. Due to the dryness and mild temperatures, we have had to charge up the irrigation system, and open the snack bar, and bathrooms between hole 6 and hole 11. Normally, we would not consider completing either of these procedures until April, so we are certainly ahead of schedule for the 2017 golf season.

The project on hole 18 is 98% complete, left to finish are some planting of native grasses around the pond and waterfall, and shrubs and trees to promote some ground cover and visual enhancements. The response from the Membership on this project has been extremely positive. It really compliments our course, and adds visual beauty to our finishing hole.

The Master Plan project is well under way! We have secured our funding for the project, as well as the contractor that will work hand in hand with Gil Hanse, the architect to perform the work on the course. Chris Swim has worked several months already to pre-order many of the materials needed to complete the Master Plan. This project will be a sprint – not a lengthy process, once the contractor and architect arrive on site. The schedule of work is to last only 12 weeks, the goal

is to have all the new planting of sod completed by November 1st, allowing for the entire winter season to take root.

April marks the start of our new dining Menu's at Lakewood. James Klein and Chef Mat are working with some fresh new ideas to entice the Members to frequent the dining room, patio's, pool, and bar. We have a goal to achieve; we want Lakewood Country Club to be in the top 3 places to spend the bulk of your time: home, work, and Lakewood CC, not necessarily in that order. We know that the culinary offerings will play a vital role in achieving that goal. Paired with the new menu; is our never-ending process through training, of increasing the levels of service, in all aspects of the Club.

To sum up the first quarter; it has been a very busy start to 2017. On a different note: Tim Lollar, Lakewood Country Club's Director of Golf, announced his retirement late February. Tim, worked for Lakewood as Director of Golf for the last 17 years, and certainly provided us with "Premier Facility" levels of service, in many cases on a shoestring budget. He has left big shoes to fill, and we have promoted Ben Honaman as Head Professional, to pick up where Tim has left off. I am proud of the way Ben has performed to this point, and I feel he will be a strong asset for Lakewood and the Membership.

I am excited for the opportunities we are faced with this year, and I hope you are all excited as well! It's a great time to be a Member of Lakewood Country Club, the changes you will see happening this year, are a sample of how the Board and the various Committees are preparing us for the future, and to continue the traditions of our storied past.

Sincerely;

Lance Scheele

## letter from food & beverage director

This mild Colorado winter flew by and we have already entered into the spring season. We are hoping that the snow is behind us, as we are ready for what spring brings around the Club.

With that being said Easter is right around the corner, and Mother's Day following that. Programs Committee has created many new events for you to enjoy in 2017 and a few of them have already been well received. We are looking forward to what's to come for this year.

As many of you already know, our new spring menu hits tables Wednesday, April 5th. We advertised special nightly features, March 10th thru April 1st, that were possible items that would appear on the new spring menu, asking for Member feedback on those items. Thank you to those who provided us with feedback. Now that the new spring menu has hit the tables, we would still appreciate any and all feedback from Membership on the new menu. The goal of the food and beverage department is to serve the Members, and accommodate their dining needs; the best way to do this is through your feedback.

### **Couples' Cooking Classes -**

The couples' cooking classes that have been offered in 2017 have been very successful. Each class reached the maximum capacity of 12 people. Everyone who has participated in these events has had a great time. In the future, for these events, we will be looking into trying to expand the work area in order to accommodate more participants, as these are always very popular with our Members. If you missed out on the three we've had this year, no need to fret, we will be hosting more down the road, just keep an eye out for the event publication as these classes fill up fast.

### **St. Patrick's Day Celebration -**

On March 17th, we hosted a St. Patrick's Day Celebration. At this event, LCC presented an authentic Irish buffet with multiple carving items and specials on Irish cocktails to pair with dinner. We hope you enjoyed listening to the traditional and festive bagpipe and harpist entertainment.
