## Letter from the president

It has been a crazy few weeks for our nation and I hope this letter finds you and your family healthy and well. With the COVID-19 Pandemic fully upon us, we have had to make

some major adjustments to life as we know it at the Club. I can assure you that none of these decisions have been easy or made without a great deal of discussion and thought. As a Board, we are doing everything we can to stay on top of this situation and provide the safest possible environment for both our Members and our staff. The Club is strong and we will survive this, but in the meantime, we must continue to react to what seems like a daily changing situation. We ask for your help during this time by supporting the Club when possible through its take-out dining. This will allow us to keep staff members employed during this tough time.

I would like to thank Mr. Steven Ferrie for the great leadership that he provided last year as President and also Mr. Clay Campbell and Mr. Norty Frickey for their service on the Board. These three gentlemen put in a tremendous amount of effort in their three years on the Board and should be applauded for their commitment to the betterment of the Club. I would like to congratulate Mr. Todd Krapf, Mr. Chris Reister, and Mr. Drew Davis on their recent election to the Board of Directors and I am confident their involvement will be a great asset to the Club.

With April upon us, I think it's safe to say that we are all looking forward to our golf course not looking like a glacier, and eager to get out and start playing again. As of right now, the course will remain open and we encourage you to get out and play when possible. We do however ask that if you are not feeling well, please do not come to the Club out of respect to your fellow Members and the staff.

On another note, I wish to thank Executive Chef, Mat Mihalek, for his 20 years of service and dedication to the Membership of Lakewood Country Club. Chef Mat has decided to hang up his clogs and apron in order to retire. It was a pleasure getting to know Mat and I know he will be missed by many Members and staff! I would also like to welcome our new Executive Chef, Christopher Moore. Christopher is a very talented Chef and we are very lucky to have him.

In closing, I am truly honored to be President this year, and I assure you that the Board of Directors and I will work tirelessly to make sure that Lance and his staff have the necessary tools to provide the best possible Membership experience.

As the snow starts to melt and the grass starts to green, I look forward to seeing all of you at the Club.

Sincerely,

Lou Ficco Jr.  
President

## one year introductory golf membership program

### Applications and Upgrade Requests Accepted as of March 1, 2020

- Only Requires a **\$5,250 Non-refundable Initiation Fee Down Payment**
- All the Benefits of Full Membership with the Exception of Voting Privileges (voting privileges commence upon payment of final initiation fee installment)
- **Lock-in to \$52,500 Resident Initiation Fee and Payment Plans**
- Please Note: This is a One-time Offer Per Prospective Member

With the tournament schedule set and the nice weather approaching, our staff is ready to help provide another great golfing season at Lakewood Country Club.

**any other advertised pricing.** Also, please consider the customer service you receive from our Golf Pro Shop staff. We stand behind every product we carry and offer special order opportunities for those hard to find items.

We encourage the Membership to please visit the webpage ([www.lakewoodcountryclub.net](http://www.lakewoodcountryclub.net)) for all information pertaining to your Club. Tee times and tournament sign-ups may be made on the ForeTees reservation system or the ForeTees App. The results of most tournaments can be found on the Lakewood website. If you have questions, please call the Golf Pro Shop staff and we will be happy to get you started.

Here are a few course care reminders to ensure pristine playing conditions on your golf course. Please repair pitch marks on the greens, use the sand/seed for divot replacement, rake the bunkers when you finish, and keep carts at least 50' away from greens and bunkers. Please remember that rakes should be left **outside** of the bunkers instead of placed inside the bunkers. This positioning will eliminate your golf ball from remaining on the downslope of a bunker.

Head Golf Professional  
[bhonaman@lakewoodcountryclub.net](mailto:bhonaman@lakewoodcountryclub.net)

Sign-ups for the 2020 **Scotch Tournament** will continue through April 19th. Please log on to ForeTees to register your team or call the Golf Pro Shop staff. All entries must be received by 5:00 p.m. on April 19th. Entries for the 63 **Lakewood Tradition** spots will be accepted until April 19th or until filled. Please mark these dates on your calendars.

New merchandise has started to arrive and will continue throughout the golf season. Several new vendors have been selected, which we think represents the style and quality you want to wear. Many of the new styling includes high-performance fabrics that are wash and wear. We want to remind the Membership that our merchandise is ticketed at the manufacturers' suggested retail price, however, **Member pricing on all merchandise is then marked down 20%**. We constantly monitor competitors' prices to ensure we are giving you the best possible price and **we always guarantee to meet or beat**

## Handicap Posting

We would like to remind everyone that it is essential to post your scores after every round. Unfortunately, the posting of rounds at Lakewood Country Club has diminished over the past few years. These missing rounds can dramatically affect handicaps and the fairness of Club events.

In order to address this issue, the Handicap Committee will be closely monitoring each Member's number of rounds played (ForeTees) versus the number of rounds posted (GHIN).

*"Fair handicapping depends upon full and accurate information regarding a player's potential scoring ability as reflected by a complete scoring record. Every player must be responsible for posting all acceptable scores..."* – The United States Golf Association

## letter from the clubhouse manager

We have had a tough winter in Lakewood; however, it looks like spring is about to break through just in time with the opening of the golf course. We are hoping the warmer

weather brings Members back to the Clubhouse for socializing and dining. We have a lot to look forward to in the upcoming months at LCC.

At this time, everyone should have received the news that Executive Chef Mat has decided to hang up his chef's hat. I would like to personally thank him for his 22 years of service at Lakewood Country Club and wish him all the best in his future endeavors. With that being said, we have brought on the very highly regarded and experienced restaurateur and club executive chef, Christopher Moore. Christopher is a lifelong student of the culinary arts. He has lived in Europe, where he opened an American restaurant in the Algarve region of southern Portugal on a holiday resort. He also oversaw the culinary operations of the main hotel restaurant at Vila Vita Parc, a five-star beach resort with eight restaurants, one of which is a 2-Michelin starred operation; strong technical food knowledge, product sourcing, butchery, kitchen design, and function. He believes there is more out there for him to learn and a wealth of knowledge to pass on to those who want to learn.

Christopher's mentality on food revolves around sustainable fresh ingredients, as well as new and innovative ways of cooking. We brought Christopher on not only to develop the kitchen staff, but also to educate the dining room servers and management to be able to discuss

and describe the meals that are being served. Our staff is looking forward to this type of education so that they can be more knowledgeable of the product they are serving the Membership. Christopher's forte is in Membership interaction which will be an asset not only to the management staff, Lance, and myself, but more importantly will give the Membership a sense that we are listening to the variety of items that have been requested in the past.

With the recent dues increase, the Food and Beverage department is looking at ways to provide a better quality of service in the Member Dining Rooms, #11 Snack Bar, and the pool. After Executive Chef Christopher is settled in, we will be updating the Member Dining Menus followed by #11 Snack Bar Menu, to ensure that the food served on the course is meeting the Members' needs and wants. With the passing of the assessment, along with the construction of the new patio enclosure, we will be looking to upgrade the serving and plate wear to go with these other enhancements.

We hope the events we offered in February and March brought you out to the Club beginning with our **Valentine's Day Celebration** on Friday, February 14th and Saturday, February 15th. We hope those who joined us had a nice romantic dinner and enjoyed the acoustic string duo on Friday and harpist on Saturday. The **Classical Guitar Recital with Dax Itow** on February 8th sold out within days of it being announced. Due to this, Dax so graciously added an encore performance on February 22nd, which sold out as well. We are thankful that he is able to perform and give that special touch to our Members, and he personally thanks you very much for attending his events. We ended February with **Family BINGO**. We had 83 Members

## letter from the clubhouse manager

and their children attend this event. We were able to give out great prizes for the BINGO winners and fun was had by all. Our first event in March was the **St. Patrick's Day Cooking Demonstration** on March 3rd, which was a success and was close to selling out. Everyone who attended enjoyed the class and the delicious Irish dinner that followed.

At this time, due to current world events, effective March 17, 2020, all Clubhouse activities were closed to the Membership including all scheduled events for 30 days. Sadly, the following events were cancelled: St. Patrick's Day Bagpipe Entertainment, Prospective Member Reception, The Art of Magic (this class will be postponed), The Members Only Show (this event has been postponed to Friday, June 12th), Sushi & Sake, Children's Easter Party,

and Easter Brunch. As always, please continue to stay tuned into your email for the most up-to-date information.

We hope you enjoy the remaining events this April, all the information on those can be found in this Newsletter!

**As always, my door is open to any comments or concerns. Please feel free to contact me at any time, and don't forget to call ahead and make your dining reservations.**

## letter from the gm

### Success during stressful times.

These past few weeks have been full of fear, frustration, and change. Every day seems to bring new challenges to

every part of our daily lives, causing disruption and uncertainty.

The Denver business market will most certainly see some devastating fallout. Between the stock market roller coaster ride and the closing of most or all hospitality businesses, health and beauty business, and tourism taking a major hit, it may be a long time before the Denver economy returns to normal.

Rest assured your Club is doing everything we can to maintain as many services as we are permitted while making sound financial decisions. Fortunately, our previous Boards over the last several years had the foresight to begin the process of transferring additional funds from our operating bank account into a reserve account to build up a rainy day fund. Pretty safe to say these times would be considered a rainy day! While at this time, we are nowhere near needing to tap into that reserve account, it should provide you, the Membership, with the comfort of knowing we can continue to operate without any sacrifice to services or amenities (within the parameters set by Federal, State, and Local Governments), even in this volatile economy.

Membership has the responsibility to ensure financial success, too! If the Club is open for any services, it benefits the Membership to utilize whatever amenities are available to you. Keep

in mind we still need labor to prepare the golf course for this upcoming spring, and we have culinary staff and a skeleton crew of Management still on the payroll. Any additional revenues created through the golf division or Food and Beverage aid in keeping these employees working during this Pandemic, to provide the best possible product to the Membership in this crisis.

The Board of Directors has worked diligently in keeping some policies in place, while relaxing others to benefit both the Membership and your LCC staff. This is no easy task, and they have stepped up to the challenge to work with our Management team to make good financial decisions, some of which may not be popular, but necessary to the success of Lakewood Country Club.

Our history at LCC has shown resiliency time and time again. Lakewood Members have rallied around each other multiple times: in 1918 during the Spanish Flu Pandemic, the Great Depression, multiple Clubhouse fires, 9/11 terrorist attacks, the recession in 2008, and we will rally around each other in 2020 for the Coronavirus (COVID-19)!

As I have said before, we are all in this together, I couldn't think of a better community of people to be around to defeat this opportunity we are all faced with!

To the safety and well being of our friends, family, and loved ones; I raise my glass and say "CHEERS and God bless"!!

Sincerely;

Lance Scheele
