As I sit here on the eve of the 60th LCC *Sliceroo* and the 145th Open Championship, it makes me wonder what creates such tremendous tradition such as that of these two tournaments.

Of course, the passing of time and the annual crowning of champions are the obvious. The original purpose or mission of a tournament also plays a role in how traditional it becomes and for the Open Championship, the mission of its founders was fairly simple – “to crown the Champion Golfer of the Year.” 145 years later that mission hasn’t changed, though it is challenged by other “majors” as golf has successfully and simultaneously retained its’ traditional appeal and spread throughout the world. There may be less than a handful at LCC that recall what the original intended mission of the *Sliceroo* was when it was founded 60 years ago but a good guess would be that the *Sliceroo* founders wanted to create a tournament where Members could share their spectacular golf course and terrific camaraderie with their closest friends from around the state and the country. 60 years later the *Sliceroo* still provides what the original founders likely intended and has become one of the best Member-Guest tournaments in the state, if not the nation.

Just recently, the history of the *Sliceroo* hit home for me as I was looking at one of the several classic historical pictures that Mark Wehrle, John Gardner, and others have thoughtfully framed and had hung around the Club (thank them if you remember). I noticed a picture of the 1958 LCC *Sliceroo* that featured

Rocky Marciano, Babe Lind, and a couple of others. The unknown fourth in the picture was none other than Father Jim Moynihan, the Denver Catholic priest that married my parents and was a great friend of my family back in the day – and a pretty good stick as well!

A sometimes overlooked element of great golf tournament traditions is the importance of the golf course. There are no long-lasting golf tournament traditions that I know of, that don’t feature a venue each year that is considered a top class golf course, Augusta National and the Masters being the best example. As LCC Members, we should all be very proud of our golf course which has always remained in the upper echelon of Colorado golf courses and can hold its own nationally, as well. We should remember, however, that great golf courses require capital investment over time. Since the construction of the new Clubhouse, LCC has lagged its peers in the state and nationwide fairly significantly in capital spending commitments – particularly with respect to the golf course. I think we can all be very confident that were the elements of the Master Plan, designed by Gil Hanse, implemented fully, that LCC Members and the tradition of the *Sliceroo* will have many more years to look forward to with a premium, yet traditional golf course on both the state and national levels. Soon, you should be seeing digitally-produced renderings of the major Master Plan elements — very exciting!

Of course, no tournament or golf course can have a long tradition of success without a successful tournament director as well as a skilled greens superintendent. LCC is very lucky to have had Tim Lollar directing the play of the *Sliceroo* for the last 21 years. Lollar and his staff have directed the play in over 30% of the

Sliceroo tournaments and are a big part of why the *Sliceroo* is known far and wide as one of the very best Member-Guest tournaments in existence. Of course, Chris Swim has been watching over the golf course itself for just as long and targets the conditioning of the course to peak performance during the key tournament times with the *Sliceroo* having special focus from Chris and his staff. These two LCC veterans deserve a lot of thanks! We can’t forget the tournament Chair, Tim Brooks in his third season Chairing the event and this year as Golf Committee Chair as well. Thank you, Tim!

Pool Bar / 4th of July

Wow, I can’t remember a more enjoyable 4th of July at LCC than the one we just had. I was lucky enough to spend the entire day at the pool with Dee Dee and LCC friends. The crowd was excellent, the food delicious and I have to say, the pool bar (we need a name) was

especially enjoyable. When you have a chance, reach out to Mark Wehrle and Lance and thank them for their vision and guidance on the pool bar as it is proving to be a great success.

Club Championships

Speaking of Champion Golfer of the Year, we are headed toward our annual crowning of the LCC Club Champion, the Women’s Club Champion and the Junior Club Champion so good luck to all the competitors out there!

Enjoy the fun and competitive times during the LCC season! I’ll see you around the Club, and **don’t forget to keep those new Member referrals coming our way!**

They are subject to the weekend and holiday guest fee, and they must be accompanied by their parent (the Member).

Congratulations to our 2016 *Sliceroo* Champions Mr. Mike Quigley and his guest, Mr. Lance Perez. They defeated the team of Mr. Jay Rollins and Mr. Nick Newman on the first hole of sudden death to win the 60th Annual *Sliceroo*. Finishing third was the team

of Mr. Tim Brooks and Mr. Steve Reister. Mike and Lance displayed great golfing skills and were rewarded by winning our 60th Annual *Sliceroo* Tournament. Most all of the flights were determined during the last match, which made the contest very competitive. Once again this year, two additional flights were kept and the four highest-point earning teams made it into the finals. A giant round of applause goes out to all of our Members and sponsors for making this event a huge success!

More Scotch Tournament matches will be posted on the board outside of the Golf Pro Shop. As always, galleries are welcome for these matches. Please check with the player service staff before taking a cart. As a Scotch watcher: **1) Please use the sand/seed bottles to fill any divots. 2) Please be courteous and considerate to ALL golfers on the course.** We have had a few incidents of inappropriate behavior from our

spectators so please show your fellow Members the courtesies they deserve. We are still experiencing heavy course usage and would like to share some thoughts: 1) Your pace of play is expected to be four hours or less. Please keep up with the group ahead of you and if a faster group is behind you, please let them play through. 2) Please take more than one club to your golf ball so you don't have to wait on the cart before you play. 3) Play ready

golf. 4) Please put all trash, including cigarette butts, in proper receptacles. 5) Our greens are some of the finest around; please fix your ball marks to keep them in prime condition.

As a helpful reminder to our Membership, every time you make a tee time with any type of guest, your ForeTees e-mail confirmation has an educational portion reminding you to inform your guest about pace of play,

our dress code, and safety / etiquette items. Please pass this information along to your guests to insure compliance.

Senior Club Championship

Congratulations to Todd Franks for winning the 2016 Senior Club Championship. Todd started the final round with a 4 shot lead, after opening with a 70 in round 1. Brian O'Hara 3 strokes back and Tom Lawrence 4 strokes back were in the final group with Franks. On the first hole, O'Hara hits driver just short left of the green, chips to 2 feet and makes birdie to cut Franks lead to 3 shots. After a tough 4th hole, Franks made up for it on Hole #5, hitting a great lag putt from 30ft from the back of the green to a middle pin, saving par. Franks stays steady moving to the back 9 where he pars 10 and 11, before making birdie on 12 to go up 4 strokes on Tom Lawrence, who birdied 10 and 11 to get back to 6 over par for the tournament. Consistency off the tee and great putting left little room for fellow competitors to catch Franks who shot 36 even par on the back 9 to shoot a final round 75, two-day total of 145 to claim the 2016 Senior Club Championship Gross honors. Congratulations to all competitors and thank you for playing. Andy Callahan was the 2016 Senior Club Championship Runner-Up with

Lakewood Country Club is a Private Facility!

At the risk of sounding like I am scolding the Membership, I feel it necessary to bring up a topic that has

been a regular discussion these days. Dress Code, what is it, where and when is it enforced, and by whom?

These are questions I am fielding on a daily basis so I want to be clear on what our standards are at Lakewood Country Club. First of all, we are a Private Country Club, not a municipality daily fee facility. These rules we must abide by, where determined by the Membership, for the Membership and are in place to maintain a decorum that is fitting of a Private Country Club.

Casual attire is becoming more prevalent in the work place, distinguishing what a Member that arrives to the Club from the office on what they can or can't wear may be confusing and at times inconvenient. The rules were not made to be a deterrent from Members using the Club or from bringing guests, but it should be understood that appropriate dress will be enforced and a Member should not be shocked or upset if a member of the staff addresses a violation. Management has been instructed by the Board of Directors to refuse service to any person inappropriately attired. Members are responsible for the proper attire of their family and guests.

Golf course attire for men & women also pertains to the practice facilities, putting greens, and chipping complex. **Men:** must be in collared or mock necked shirts.

All shirts must be tucked in with the exception of full-button, square bottom camp shirts. Golf trousers or appropriate length shorts are acceptable. All caps must be worn properly with the bill facing forward. Jeans/denim, workout attire, cargo pants/shorts (any externally stitched pockets) are not permitted. **Women:** Blouse tops or golf shirts – sleeveless must have collar or mock neck. **Appropriate length** shorts/skirt/skort or slacks are permitted. Halter/tube/tank tops and tops showing an individual's midriff are not permitted. Jeans/Denim, workout attire, and cargo pants/shorts are not permitted. Juniors: should follow the same dress requirements as adults. Appropriate shoes must be worn at all times, Flip Flop shoes are inappropriate for all golf areas.

Clubhouse attire includes the patio's, bar, and dining rooms as well as banquet areas. Golf attire as described above are acceptable in all areas of the Clubhouse. Appropriate denim pants and shorts are allowed. Denim pants, cargo shorts, and shorts that are frayed, torn, or worn looking is considered inappropriate. Shirts must be tucked into the waistband, unless manufacturing style prohibits. Sweatshirts are permitted, but can't be worn, torn, or frayed. Cotton sweatpants are not permitted in the Clubhouse. Inappropriate attire consists of, but is not limited to; tee shirts, tank tops, halter tops, athletic shorts, cutoffs, spandex, and short shorts. Men may not wear hats in the bar, or dining areas, and hats or visors may not be worn backwards anywhere on the Club premises. Swimming attire is not permitted in the Clubhouse with the exception of going to or from the locker rooms. A shirt or cover up is required when entering the Clubhouse in route to the locker rooms or exiting the Clubhouse out to the pool.

We are having a great summer season at Lakewood, and I appreciate the Membership in how well you all support your Club. As always my door is open, please feel free to stop by if you have any concerns, feedback, or just want to say hello!

Sincerely;

Lance Scheele
General Manager

master plan facts

What's in the Golf Course Master Plan?

Prior Master Plan columns talked about the dramatic plans for the 1st, 4th, 6th, 10th, and 14th holes. While there is yardage added to several holes, that is not the only – or even primary – goal of the Master Plan.

LCC's Master Plan will improve the playability of our course by:

- Adding forward tees for seniors, juniors, beginners, and higher handicap players – or anyone who wants to "play it forward" to increase their enjoyment of the game;
- Providing more yardage gaps between forward, middle and back tees, so players of different skill levels can have similar shots to the green after a good tee shot;
- Restoring some picturesque and challenging green sites that were part of our heritage dating back to 1908;
- Adding new risk/reward elements, to increase the strategic interest of certain holes.

Most of the "low hanging fruit" of the Master Plan has been completed.

Examples include new forward tees on a number of holes, the new fairway bunkers on Nos. 11 and 16, and the expanded teeing grounds and brush/tree removal that have dramatically improved the sightlines and yardage choices on our 7th hole. However, a few other smaller scale improvements remain to be done.

The Maxwell mounds at the 7th, 13th, and 18th greens will be cut down, to be more consistent with a Donald Ross design. The resulting Ross "rolls and swales" will also help drain water from these greens. And, the ridge that blocks the view from the back and middle tees on No. 18 will be reduced, to improve the sightlines on our finishing hole.

Two of our greens are out of date due to modern mowing heights and faster green speeds. The 8th green slopes away at the back, which unfairly penalizes approach shots to this long par 4. The back half of the green will be slightly raised, so the green receives more fairly a well-struck approach shot. The 11th green will benefit from some re-contouring, as its slopes are far too severe for modern mowing heights. The green will be surveyed to determine how much slope needs to be taken out to make it putttable under all conditions, while retaining its challenges.

If there are no reservations by 2:00 p.m. each Friday, Kids' Klub will be cancelled!** If you call after 2:00 p.m. on Friday with a Kids' Klub reservation and we are able to accommodate your request, the charge will be \$20 per child. Letter from food & beverage director

We started out the month of July with a successful Fourth of July Pool Party, the turnout was better than we had expected. The temperature was hot, the bar was hopping, and everyone

was more than happy to participate in the pool games. The kids were excited for the annual soda toss, as were the adults for the beer toss. We changed it up a bit for the adults to make it more challenging, instead of tossing in the beers themselves, we tossed in weighted poker chips that sank to the bottom and rubber duckies that floated around the pool, which they could turn in for a cold draft beer from the pool bar. The addition of the bouncy castle, play center, and inflatable basketball game was a huge hit with the children.

As most of you know, our big annual July event is the *Sliceroo* Tournament, this year marked a milestone. It was LCC's 60th anniversary and was the largest participating field ever! The tent location, outside the ballroom, was once again very successful. The staff was rested up for a long, but fun week with the Members and guests, whom all had a great time. As always, Chef Mat and the culinary staff put out new and fresh items on these hot days of *Sliceroo*. A shout out to Mr. Richards for providing the Coors Beer Draft Wagon, Mr. and Mrs. Belich for donating Gentry Bourbon, Mr. Dodds for donating Suerte Tequila, and Mr. Erlich for donating Cerén Vodka. *Sliceroo* week was another great event and we are already preparing for next year's annual event.

Now that it is August, we are over half way through the 2016 pool season and overall it has been a great year at

the pool with the addition of the new pool bar and pool management. The implementation of Guest fees this year is going well and it is helping the Members have plenty of seating for their families and guests. It has been brought to our attention by multiple Members and was mentioned in the July Programs Committee meeting that a healthier menu is requested at the Pool. We have added healthier items, such as more variety of salads and Boca burgers, and they will be added to the Pool Menus in 2017.

Member Dining, Pool, and Banquet sales were considerably higher this summer than previous years. We have already had a busy season with 14 weddings and are half way through our 2016 wedding season. July is usually a slower month for F&B, due to a week being dedicated to the *Sliceroo*, but we will pick up the pace again to finish off strong with the remaining nine weddings.

Upcoming Events you have to look forward to in August are:

- **Clambake**- This is a fun party by the pool with musical entertainment by the Parkside Band featuring our own Ken Reinig and Tom Piery. This isn't your typical clambake, Chef Mat has a great menu with lots of seafood options, including lobster tails, clam chowder, shrimp, oysters, scallops, and carved prime rib.
- **Back to School Pool Party**- Summer has been a blast, but all good things must come to end. Please join us at LCC's pool for a "Back to School Pool Party" with entertainment by Jammin' DJ's, a buffet prepared by the culinary staff, and fun games and contests. Be sure to bring the entire family and friends to help celebrate welcoming in the new school year.
- **Summer Concert Series at the Pool**- On Friday, August 26th, please join us this

Letter from food & beverage director

summer at the pool, one last Friday, for live entertainment. This month, we will be featuring Joel Siemion, who is an instrumental contemporary and smooth jazz musician. Bring your family, friends, blankets, and lawn chairs to these fun filled summer nights at Lakewood Country Club for sunset viewing and live music. He will perform on the lawn from 6:00 p.m. – 9:00 p.m. We are happy to bring this amazing and talented musician into such a friendly outdoor setting that offers our Members and their guests the perfect summer escape.

- **Moonlight Mulligans**- Bringing this event back last year was a huge success. It is a great golf outing for couples, and a great way to end the summer. This is

a nighttime golf event. Followed by Dinner is the golf competition, which begins at dark and you will be using glow-in-the-dark golf balls. Be sure to sign up with the Golf Pro Shop. This event is limited to 48 participants.

As always, my door is open to any comments or concerns. Please feel free to contact me at any time.
