JUNE 2018 – Summer is HERE!!!

What an incredible month of May for our Lakewood Country Club community! We christened our new golf course, opened

our new short game practice facility, and celebrated Memorial Day weekend with the opening of our pool. Was Memorial Day weekend fun around the golf course and pool or what?!? The enthusiasm and participation by so many of our Members simply provided for a tremendous experience at our Club. And this is just the beginning! I know many of you take advantage of all the activities and facilities of our Club and Lance Scheele, General Manager, and his entire staff continue to strive every day to make this Member experience even better. I'd like to point out several of the improvements around the Club:

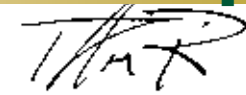

- Range attendant and accessories table at the range
- The return of several of our best-in-class golf professionals and new members to the golf staff that bring a high level of golf knowledge and service along with great enthusiasm
- Improved service upon your arrival for your round of golf from the Players' Assistants
- All new pool furniture
- Two new machines including squat bench in the gym

- New menu items and daily specials from the Clubhouse and pool kitchens
- Live plants in the Clubhouse (yes, those used to be fake plants!)

These are in addition to many small items that we continue to focus on to ensure your Membership experience is first rate and we continue to strive towards maintaining this first rate Member experience. I should also note that LCC certainly does not lack for activities. The month of June is loaded with events including the Couples' Barbecue Cooking Demonstration, the first Summer Concert Series, Scotch Matches, and many more. Check out the calendar of June events in the back of this newsletter.

Finally, I again must recognize the incredible talent of Mr. Chris Swim, Golf Course Superintendent, and his team for the outstanding job they did in getting our new course ready for play. In my opinion, Chris is THE BEST superintendent in all of Colorado and should be considered in the same discussion nationally. I invite all of you to shake his hand or send him a note of thanks for what he has done for our Club and for our community. The enthusiasm around our course says it all. I also would like to thank the many previous Board Members who assisted in the years of planning and especially point out the Members of the Master Plan Committee who worked diligently in getting Gil Hanse committed to this project and seeing it through to the success we now experience. Thank you Messrs. Mark Wehrle, Jake Jacobson, Wyck Brown, Bill Pruter and Tim

Brooks!! You made sacrifices through your own time and contributions that I know you believed were worth it. Your work has paid off. THANK YOU!

With that being said, summer is HERE so let's all get out and enjoy our Club community.

Cheers!

letter from the head golf pro

Course:

As we enter our busy months, the course will get maximum usage. Here are a few reminders to help keep the course in prime condition: 1) sand/seed mix is provided

on your carts, please fill your divots and any others, 2) rake the bunkers when you exit, 3) please be aware of wet conditions when driving carts, 4) do not drive within 50' of the greens, and finally, we absolutely have the best putting greens and to maintain these conditions, we need the Membership to **please repair any ball marks on the putting surfaces.**

Safety:

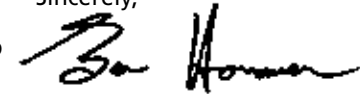

We would like to remind the Membership of specific safety areas: 1) please wait for players to leave the cart parking areas on holes #2, #7, #9, and #17, 2) do not hit driving range balls over the fence, 3) serious injury can occur by driving up to #12 via the cart path coming

down from #6 tee. **Also, the player is responsible for any damages occurring within or outside the Lakewood Country Club boundaries.** This includes windshields on 6th Avenue.

Scotch:

The first round of Scotch matches are about complete and the second round matches start on June 15th. Starting at the round of 16, matches will be posted on the message board; so, you may participate in the gallery of "Scotch Watchers". We would like to remind the Membership that carts for Scotch watchers will be available (if there is no Member play scheduled). **If we have scheduled tee times, players have first priority for golf carts.** Please check in with the Golf Pro Shop. Good luck to all participants.

Sincerely,

Ben Honaman
Head Golf Professional
bhonaman@lakewoodcountryclub.net

Junior Golf

The 2018 Junior Golf Program will begin on June 6th and 7th. On Wednesday mornings, the golf course will be available after 9:45 a.m. for our Members. **Reminder** – We would like to remind our Juniors they are not allowed on the driving range from 11:00 a.m. to 1:00 p.m. on the weekdays.

Handicaps

The restoration of LCC is going to have an impact on the course rating for handicap purposes and the allocation of strokes in the course of a match. Here are the steps we are taking to address both these issues:

1. Course Rating: Once the restoration was completed last fall, the Colorado Golf Association visited LCC and GPSed the entire course to understand the affects the restoration had on yardages. While yardage is an important factor in slope rating, it is not the only element. The rating process cannot be completed until the new course is available for play. The CGA will be back to re rate the golf course in mid-June.

2. Stroke Allocation: A more difficult issue, and one where we will need all the Members help, is the allocation of stroke holes. The USGA provides a guideline for determining stroke holes that has as its foundation the collection of actual results from 200 to 500 rounds. In order to do this and support early season play, we will be doing the following:

We are asking each group to turn in their scorecard to the Golf Pro Shop. On each card, we will need the player's full name and what tees were played. This will allow the Golf Pro Shop staff to input the individual hole results into a database of rounds that will act as a guideline for the allocation of stroke

holes. Details of the player/tees played is to assure that we get a diverse sample of player skill levels.

Once we have accumulated a representative sample of cards in the database, the Handicap Committee will make a recommendation to the Golf Committee on the stroke allocations for the restored course.

We want to thank you in advance for helping in this effort and ask that you turn in legible cards with all the required information.

Pace Of Play

We would like to thank the Membership for following the pace of play guidelines. Most all rounds are now played in four hours or less and with your continued awareness, this expected pace will be maintained throughout the season. Once again, a group's position is directly behind the group in front at all times. If there is a gap, the group must either close the gap, or let faster players through.

Lightning Policy

Lakewood Country Club subscribes to a local weather alert system that warns us of ground lightning strikes within five miles and impending storms. When we receive weather alerts, the Golf Pro Shop staff will sound a series of three short blasts on the sirens to signal the mandatory closure of the course. When you hear these sirens, you must mark your golf ball and immediately proceed to the nearest shelter. Our staff will assist any walkers who wish to return to the Clubhouse. Once the danger has passed, one long blast will signal the course is "safely" available for play.

Tee Times

Due to the high demand for our tee times during the summer months, if you must cancel your time, please be considerate of your fellow Members and let the Golf Pro Shop staff know as soon as possible.

Course Availability

Please note that the golf course and practice facilities will not be available until after 9:45 a.m. on Wednesdays in June and July due to Junior Golf.

Caddie Corner
 Throughout April and May, the 2018 caddie candidates were trained and evaluated. Members of the Caddie Committee and the Golf Pro Shop staff were with the caddies covering all of the necessary duties required to be a successful LCC caddie. This year, we plan to have 50-60 caddies available for the Membership. Please call our Caddie Master; John Kienast, PGA, at least one day in advance to request caddie service. The advance notice enables us to properly schedule the caddies and meet your needs. We thank you in advance for your support of this program. Caddie fees are: "Junior" Rank- \$25, "A" Rank - \$30, and "Honor" Rank - \$35. **Caddie rates do not include gratuity. Reminder** – Our annual \$25 billing for the Evans Scholarship Program will be sent out in the July billing. If you do not wish to participate, please inform the Golf Pro Shop staff or the Accounting Department staff.

Evans Scholarship Award Winners

Congratulations to Kaia Dameron and Anderson Gillmore, our latest Lakewood caddies to be awarded the coveted Evans Scholarship. Kaia and Anderson will be joining five other new scholars at University of Colorado Boulder this fall. The Evans Scholarship provides full tuition for four years as well as housing for each scholarship recipient. There are six current Evans Scholars from Lakewood Country Club at Colorado, and 33 caddies from the Club have graduated as Evans Scholars since 1967. The WGA awarded 295 Evans Scholarships nationwide for 2017. On behalf of the Western Golf Association, a huge thank you to all of the LCC Par Club and Bag Tag members. Your donations of a record \$112,000 in 2017 has helped deserving young caddies receive the education they could only otherwise dream about. We are the fourth largest fundraising club in Colorado and 27th in the nation. Also, thank you to all the Golfers who support our caddie program by taking caddies. It can and has changed lives. Thank you again Lakewood for your generosity. If you'd like to know more about the WGA, the Evans Scholarship, or Par Club Membership, please visit www.wgaesf.org.

Now that the course is open, what is next?

On May 12th, the golf course was completely open after just six months from the time Total Turf and Gil Hanse finished the work on the

Golf Course Master Plan restoration. Many of the remarks from the Membership are positive, with the overall sentiment that the golf course has an elevated feel from what it once was. The Membership at LCC is certainly deserving of the experience the new course layout will provide. So now the question is; what's next?

The various Committees under the guidance of the Board, are committed to continue to enhance the services and amenities at LCC. The practice facility is a direct reflection of that commitment. With new amenities along with an individualized touch, the driving range has risen alongside the golf course and is elevated from what it once was as well. New pool furnishings, new golf carts, new scorecards, and hole location sheets are all products and services the Committees along with Management have provided to the Membership this year in an effort to elevate the Member experience of LCC.

Long Range Planning Committee is working on the future of the Clubhouse alongside Facilities Committee to compile information regarding the renovation of the dining room/bar to ensure the desired outcome provides a gathering place for the entire Membership to enjoy for years to come. In addition to the Clubhouse upgrades, the Facilities Committee is also putting together a long-term plan for Capital repairs and replacement items the facility will require over the next 10 years.

Golf Committee had several agenda items to accomplish this year that

Membership will begin to take notice of including; more afternoon events for smaller groups to participate in, Junior Golf's renovated program, and the Handicap system has an increased awareness in monitoring how and when Members are posting scores to maintain fair and equitable Member events.

Programs Committee is striving to establish our annual fundraising Gala, to ensure maximum participation as well as a fair distribution of the funds raised to various charitable organizations. Not to mention they continually work with management to come up with a new social calendar year after year. Pool parties, and smaller events such as Trivia Night, Bar Week, and Ballroom Dancing all come from the discussions out of Programs Committee.

Green Committee is working on the details to put the finishing touches on our restored golf course. Fairway bunkers that were not touched during the Master Plan have now become a focus on when and how we can refurbish them. Additional improvements in the upcoming future will be to "hide" the compost area, so it's not so visible as Members drive up to the 18th tee box. Another item that will see some attention is the retaining wall that starts to impede the cart path as a Member drives toward the 7th green will need to be repaired in the near future. The Committee also reviews with management a tree plan, to ensure the health of the turf on the golf course.

Membership Committee is the lifeblood of any Private Club, and LCC is no different. Over the last two years, this Committee has increased the initiation fees to establish a price point indicative of the product and services a new Member will receive at LCC. Incentive programs and marketing strategies are all discussed at this Committee. Membership Committee has achieved a great deal over the last five years resulting in a full Membership of 450 Golf Members and a waitlist that is roughly

a year out before a person that now joins will be considered a Golf Member.

Finally, the Finance Committee makes all the decisions to ensure each Committee and the Management of the Club upholds their fiduciary responsibilities to provide the Membership with the best possible facilities, services, and amenities within the budgetary constraints. This Committee also makes expenditure recommendations to the Board for their final approval.

These Committees are made up of Members, to serve the Members. They work hand in hand with the various Directors of the Management team all dedicated to ensuring Membership enjoyment and value. If you want to make a difference in your Club, I recommend sitting on a Committee. It will provide you with insight on how the Club

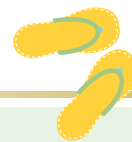

operates and how change and progress impacts the Membership as a whole.

Rest assured the Board and the Management of your Club continue to work in improving the product and brand that is Lakewood Country Club. The boom in the Denver economy affords us the luxury of continued improvement, and the Membership should be proud in being part of our growth.

It's a pleasure to serve you as General Manager, please let me know if you have any questions or feedback.

Sincerely;

Lance Scheele
General Manager

letter from the clubhouse manager

Now that the pool and new course are open, we are offering as many opportunities as possible for LCC Members to enjoy the summer season here at the Club, at the Pike's Peak Lounge,

on the patios, at The Water Hazard, and the pool. Going forward, we will be offering a new "Happy Hour" at The Water Hazard on Wednesdays, Thursdays, and Fridays from 2:00 p.m. to 5:00 p.m. with discounted house wine and draft beer. We hope that you take advantage of the "Happy Hour" to enjoy our new adirondack chairs, which are located around the new putting green and chipping complex.

In addition to new chairs, if you haven't noticed already, all the pool furniture is new along with the arrangement of the awnings. The one that was once by the baby pool has been moved to line up with the other two that are against the pool building, this will help with the holiday pool party buffets, and creates more shaded seating near The Water Hazard.

This year on Sunday, May 13th, Members came out in full force to celebrate Mother's Day with their families at LCC's annual **Mother's Day Brunch**. This event sold out a week prior to the event, making this year's event the biggest we've had, with over 550 in attendance. This is a traditional event that we keep the same year in and year out due to great feedback from our Membership. We hope all the mother's enjoyed their time spent with families along with the delicious buffet, and received their complimentary family photos.

The Annual **Memorial Day Pool Party** is the big kick off to opening the pool, which was on Monday, May 28th. The location of the buffet for this event (and all other pool holiday events) has moved to the left of The Water Hazard due to the permanent location of the awnings, which keeps the food shaded and fresh. We hope everyone who attended enjoyed the start to the 2018 pool season.

With summer upon us, here are the upcoming events you have to look forward to in June. On Thursday, June 7th, we look forward to hosting our first **Couples' Summer Barbecue Cooking Demonstration**. Join us at 6:00 p.m. at the pool for an evening of learning the basics of backyard barbecuing. Another fun event at the pool in June is the first of three **Summer Concert Series** – Please join us at the pool this summer, the last Friday of each summer month, for complimentary live entertainment (pool guest fees will be in effect). This month, we will be featuring the Parkside Band which is Rock n Roll with a violin twist. Parkside plays a wide variety of rock tunes from classic to today's hits! A little something for everyone! They will perform from 6:00 p.m. – 9:00 p.m. We are happy to bring these amazing and talented musicians (two being our very own Members, Mr. Ken Reinig and president himself, Mr. Tom Piercy) into such a friendly outdoor setting that offers our Members and their guests the perfect summer escape.

As always, my door is open to any comments or concerns. Please feel free to contact me at any time.

6:30 p.m. – Cooking Demonstration

Location – LCC Pool

\$70 per couple

Join us for an evening of learning the basics of backyard barbecuing.

You may be a great cook in the kitchen, but even top chefs blow it when they step outside and go eyeball to eyeball with a hunk of metal that has a live fire, a worthless thermometer, and no thermostat or timer. Let our very own Chef Mat teach you about the specialized tools, techniques, and concepts to master before you can become a barbecue master and earn the kudos of family, friends, and get properly cooked food to the table on time. Whether you go on to serving barbecue judges, or just friends and family, you'll elevate your barbecue game at this cooking demonstration, and at the end of class, you'll enjoy the items you just saw prepared.
