Letter from the president

As summer begins its wind down, I hope you all are getting to enjoy our wonderful facilities to the fullest. The Board of Directors and the various Committees continue to

work diligently to provide our Membership with the very best member experience possible. Here are some highlights of what each Committee currently has on their agenda.

The Facilities Committee is continuing the evaluation of the proposed expansion of casual dining and are currently focusing on examining the costs associated with the furniture, fixtures, & equipment (F,F,&E) necessary to support this potential project. Other projects that the Facilities Committee are working on include a potential addition of a nighttime security gate at the Club entrance and repair of the pavement in the parking lot adjacent to the pool and hole #1.

Programs Committee's primary focus at this time is the annual LCC Charity Gala. As many of you are aware, reservations for this annual event are now available. I would like to encourage the Membership to support this event wholeheartedly as it is an incredibly fun night that has historically raised a significant amount of money for some extremely worthwhile charities. The theme of this year's event is "The Rat Pack" and I'm sure that everyone in attendance will have a spectacular time.

The Golf Committee is currently evaluating the new GPS system that was added early this year. While there has been some frustration regarding the yardage information that the system provides, there has been some benefit to the Golf Pro Shop staff as the system provides meaningful pace of play information. The Golf Committee is working closely

with the product vendor to improve the experience and will make a determination regarding the future of the system at LCC by the end of this year's golf season.

Green Committee continues to work closely with our Golf Course Superintendent and his staff in an effort to continually improve the playing conditions of our amazing golf course. Currently, the Committee is evaluating the potential of increasing top dressing of the fairways, which over the long term is expected to significantly improve the quality of our fairways.

The Finance Committee is examining funding of next year's golf course renovations and will begin the critical process of budgeting for 2020. As you can all appreciate, expenses in the Denver area continue to rise and it will take a great deal of effort and scrutiny to ensure that we have a budget for next year that will allow the Club to maintain its financial health.

Membership Committee continues to focus on attracting new Members and as I mentioned in my last newsletter article, continues to do an amazing job as the Club continues to enjoy the security of having a Waiting List of new Members.

We at LCC are very fortunate to have such an awesome group of Members that generously give their time to serve on these various Committees. I hope that you will all consider participating in Committee work at LCC in the future, as these Committees are truly where the future of our Club is forged.

See you around the Club!

Best regards,

Steven

Fall fast approaching!

As I write this letter, the current temperature outside is 98 degrees, a challenge for sure to wrap my head around fall, but it will be here soon!

To recap the summer; overall the Club handled the summer volume well. We were off to a shaky start, with so much moisture in the spring and early summer, that we experienced lower golf rounds than usual, some winter kill on the golf course, and pool revenues were in decline as well. While August weather helped us recuperate some diminished revenues at the pool, golf rounds year over year from 2018 and 2017 remain down through this summer season.

Hopefully, we will enjoy some great fall weather that we have become accustomed to, and with the current conditions of the golf course in fantastic shape, it should provide us with the opportunity to gain some ground on the diminished golf rounds by year end. While the golf course is in great condition, the Japanese Beetle has taken a major toll on our Clubhouse foliage. Chris and Joe have spent a tremendous amount of time this past August taking out much of the damaged flowers and foliage around the Clubhouse and parking lots, due to the devastation the beetles have caused. With some luck this upcoming winter, temperatures will drop low enough to eradicate the beetle from our property. Our goal for 2020 is to have a fresh look in many common areas around the Clubhouse, parking lots, and pool areas.

Member dining revenues continue to produce strong results again this year. Year over year we are seeing a slight increase in overall food and beverage sales. Our Banquet & Catering division continues to produce and help with total Food & Beverage revenues within the division as well as bringing our cost of goods in line. Michelle is doing a fine job in bringing in Corporate business volume, not relying strictly on social events.

In regard to the possible expansion of the casual dining areas and enclosing the patios, the Board of Directors and Facilities Committee are still looking into that project. The construction quotes, along with the costs to replace all the furnishings and fixtures, came in higher than we had hoped. Both the Facilities Committee, along with the Board, are working on bringing the financial numbers into a comfortable range.

Unfortunately, we are losing a few key staff Members to greener pastures. John Baggenstoss, a Food & Beverage Manager, has taken a position with Greeley Country Club. Brandi Mitchell, our Golf Pro Shop Merchandiser, is going back to Paradise Valley Country Club in Arizona. If you see them, please wish them the best!

We, as your management team, are looking forward to a strong fourth quarter to end the year nicely. Membership remains at full capacity with a healthy Waiting List. Thank you to all the Members who have referred friends or family to bolster your Club.

Looking forward to seeing all of you this fall!!

Sincerely; 

Lance Scheele

The Course will be closed Monday-Wednesday, September 9th-11th for aeration. Please plan accordingly!

letter from the clubhouse manager

Now that it finally feels like summer, and the course is in perfect shape, the pool operations and The Water Hazard are running smoothly,

and the children have a new shade structure over the playground, it's time to go back to school. This has been a very odd summer, but overall, the staff and management executed service to a higher level than years before. So now that summer is coming to a close, Scotch season is ending, and we will have the beverage cart following these final Scotch matches. Please come out to support the players that remain in the tournament.

We hope the 76 Members and guests who attended the **Drive-In Movie Night** on Friday, August 2nd enjoyed watching Step Brothers from golf carts on the driving range while snacking on concessions and sipping cocktails from the al fresco style LCC concession stand. The Programs Committee suggested bringing back this event this year, after its being absent for the last five years. With a good turnout, we look forward to hosting another one in the upcoming future.

This year, the **Back to School Pool Party** was hosted on Tuesday, August 6th, which may have seemed early to some, but as stated above, the school season started early for some districts. This year, we moved the buffet into the pool house lobby, allowing more tables to remain on the pool deck for seating. As always, we will continue

to add variety to our buffet offerings for all events at the pool. We hope the 73 Members and children had a blast at the party while enjoying their last days at the LCC pool this season.

The 5th annual **Babe Zaharias Invitational** was hosted at LCC from August 20th thru 22nd. The ladies and their guests enjoyed the camaraderie of the tournament just as our Members do during the *Sliceroo*. With the patio set up with outdoor seating, it made for a very welcoming atmosphere. Congratulations to Mrs. Lindsey Reiss and her partner, Mrs. Lindsay Markley, on winning the 2019 Babe Zaharias Invitational!

This year's **Summer Concert Series** at the pool were well received; with the exception of the first one in June when the weather still felt like winter. We look forward to bringing back that musician so more of the Membership can enjoy his talent. Lakewood Country Club and the musicians who performed appreciate your support for these events. This year, we brought in JC, the Look Both Ways Band (featuring our own LCC Member, Mr. John Purvis, III), and 30,000 Days Band who all were fantastic in entertaining the Membership. We look forward to hosting these events next year with a new line up. A new addition to these events that was implemented this year was the pizza/wing/salad buffet in the pool house lobby, which allowed Members the option of a quick dinner.

A new series of events that was added this year was the **Family Movie Nights** at the pool. Each event was successful, and we've only received good feedback. Again, for these events, we offered a child friendly buffet in the pool
